

**UNITED WAY OF THE OHIO VALLEY
McLEAN COUNTY
PARTNER AGENCY: THE SALVATION ARMY**

Linda called The Salvation Army after she was referred to us from the United Way. Linda was seeking travel assistance and did not know where to turn. Linda's son needed to go to Louisville for a doctor visit and she did not have enough money to fill her gas tank to get back and forth. Our Social Service Director happily told her over the phone what items she needed to bring to our office and we would be able to assist her.

Linda arrived at our office in the early morning hours the day of the appointment. Linda presented all of the paperwork to our office staff and a staff member followed her to the gas station and filled her tank. Linda felt a sense of relief and was very grateful. Linda was able to make this trip and get her son the medical care he needed because of The Salvation Army and the United Way donors working together to help those in need.
