

**UNITED WAY OF THE OHIO VALLEY  
UNION COUNTY  
PARTNER AGENCY: UNION COUNTY SENIOR SERVICES**

The volunteers of Union County Senior Services are the backbone that keeps our programs running successfully. Many of our seniors are constantly encouraging others to come and join them for lunch or other events at the centers. We have hundreds of volunteers who are committed to providing other seniors a place for socialization and a hot meal. The goal of many of our seniors is to provide an outlet for activities so a senior is not home alone another night, so they have some enjoyment in their life and to make life more interesting and fun. We are excited about the new and interesting ideas seniors bring to us every day! We now offer three weekly line-dancing classes to seniors at our Morganfield location, where 20 seniors a week enjoy dancing, exercising and having a wonderful time. Our Uniontown site is full of new seniors who you can find playing cards or dice three days a week. Our Sturgis group is growing by leaps and bounds and has ventured into the world outside of Morganfield and takes regular group trips to area sites of interest. Just ask the 120 people who attend a dance at the senior center or the 75 seniors who eat lunch together on a regular basis how interesting life can be!

**WHAT DIFFERENCE WILL YOUR INVESTMENT MAKE?**

With your investment of \$50 **Union County Senior Services** can:

- Provide gas for a van to take a group of seniors to ride the ferry and to eat in Illinois for an afternoon of socialization
- Provide a senior a meal at \$1.50 per meal for a month at one of the congregate meal sites
