

**UNITED WAY OF THE OHIO VALLEY  
UNION COUNTY  
PARTNER AGENCY: HABITAT FOR HUMANITY**

The recipient of our 2015 Habitat home is a divorced mother of three children, two sons and a daughter. She was living in a two bedroom apartment, in which there was inadequate space for the family. We were able to put her in a 3 bedroom, 2 bath home at a mortgage payment she can afford. Our homeowner was told about Habitat by her employer, a restaurant owner here in Morganfield. Not only did they encourage her to apply, they had a “donor day” during which they gave 20% of their profits to our affiliate. Community support like that is what makes our organization possible. Our homeowner is very proud of the new home for her family, and has already invited one of her friends to put in an application. Now, that’s a positive response!
