

How Your United Way Works

Your United Way is Accountable to You

United Way's Board of Directors is composed entirely of local volunteers.

Volunteers review budgets and programs of funded partner agencies.

Programs must provide quality services that address a community need in order to receive United Way funding.

Each Agency is governed by a volunteer Board of Directors.

Local funds help people meet the needs

HEALTH

Improving People's Health

These are the building blocks for a good life, a quality education that leads to a stable life, enough income to support a family through retirement, and good health.

The strength of the United Way continues to be the people in our communities.

LIVE UNITED is a call to action, inviting all people to be part of the change by giving, advocating and volunteering.

United Way invites and encourages your company to engage your employees in joining the **LIVE UNITED** movement by giving, advocating and volunteering during the 2018 workplace giving campaign and all year round. Every year, two-thirds of the United Way campaign comes from payroll deduction.
