

United Way of the Ohio Valley

Audubon Area Foster Grandparent Program

Provided by the Family Resource Center at North Hancock Elementary School.

Grandma Mona works regularly with 3 students, giving them extra one on one help in math. These students can now count by 1's, 5's and 10's to 100. They can also each recognize numbers to 100. At the beginning of the school year they each struggled with these important skills. Since grandma has been working with them this year they have improved by leaps and bounds. She is an asset to the kindergarten classroom.

How Dollars Help Our Clients

\$100

One mandatory national service criminal history check on a potential foster grandparent using the corporation for national and community services' approved vendors, i.e. Truescreen and Fieldprint.

\$500

1,250 miles of transportation reimbursement for a foster grandparent's travels to and from their assigned school for a year.

\$1,000

School lunches for 2 foster grandparents for 143 instructional days.
